SUBJECT INDEX, VOLUME 19

Aqueous poly(ethylene oxide) solutions, 617
Blow molding,
a rheological product problem, 341
Blow molding symposium,
preface, 337
summary, 339
Cavity filling process,
injection molding, 423
Clay suspension rheology, 229
Curvilinear duct flow, 583
Deborah number, 297
Dispersed spheres in polystyrene, 541
Drop elongation,
rheological applications, 523
Elastic recovery in viscoelastic fluids, 271
Extensional flow, 407
Fluid nonlinearity,
orthogonal rheometer and oscillating sphere, 1
High shear rate blow molding,
determining parison properties, 351
High speed blow molding, 371
Hole pressure error, 307
Interface distortion,
stratified two-phase flow, 457
Measuring normal stresses,
polymer solutions, 67
Molten polymers, 481
Nonlinear viscoelasticity of polymer melts, 595
Normal stress differences, 147
Particles in tube flow, 445
Polar fluid theory, 139
Polymer melts,
stratified bicomponent flow, 509
Polymer melt viscosity,
theory, 645
Polymer viscosity-molecular weight correlations, 493
Polyurethane creep, 201
Poly(vinyl chloride) formations,
semirigid and rigid, 173
Raw cement slurries,
effect of ions and polyelectrolytes, 381
Steady elongational flows, 397
Strain-energy function,
isotropic elastic material, 99
Stresses in dilute solutions, 557
unsteady flows and constitutive relations, 37
Structured materials,
a thermomechanical model, 215
Transient normal force, 21
Transient normal stress, 155
Velocity profiles, 129
during shear flow, 81
in viscoelastic fluid, 81
Viscoelastic and drag reduction, 115
Viscoelastic polymeric melts, 245

TRANSACTIONS of the SOCIETY OF RHEOLOGY

Statement of ownership, management, and circulation (Act of August 12, 1970; Section 3685 Title 39, United States Code)

1. Title of Publication: Transactions of the Society of Rheology
2. Date of filing: September 26, 1975
3. Frequency of issue: Quarterly
3A. Annual Subscription price: $45.00
4. Location of known office of publication: John Wiley and Sons, Inc., 605 Third Avenue, New York, New York 10016.
5. Location of the headquarters or general business offices of the publisher: John Wiley and Sons, Inc., 605 Third Avenue, New York, New York 10016
6. Names and addresses of publisher, editor, and managing editor:

Publisher: John Wiley and Sons, Inc., 605 Third Avenue, New York, New York 10016
Editor: Dr. Raymond R. Myers, Department of Chemistry, Kent State University, Kent, Ohio 44242
Managing Editor: None

7. Owner: John Wiley and Sons, Inc., 605 Third Avenue, New York, New York 10016
The following is a list of stockholders owning or holding 1% or more of John Wiley & Sons, Inc. stock as of September 11, 1975.
Cynthia W. Darby, Box 651, Bridgehampton, New York 11932; Hamilton Darby, Box 651, Bridgehampton, New York 11932; Edward P. Hamilton, 605 Third Avenue, New York, New York 10016; W. Bradford Wiley & Francis Lobdell, Trustees, Elizabeth W. Hamilton Trust, 605 Third Avenue, New York, New York 10016; Edward P. Hamilton, Trustee under will of Elizabeth Wiley Hamilton, c/0 Gifford, Woody, Carter & Hays, 1 Wall Street, New York, New York 10005; I. M. Kolthoff, University of Minnesota, School of Chemistry, Minneapolis, Minnesota; Eric S. Proskauer & Charles H. Lieb, Trustees, u/a by Jenny R. Proskauer, 220 Central Park South, New York, New York 10019; Francis Lobdell & W. Bradford Wiley, Trustees, f/b/o Deborah Elizabeth Wiley, c/o John Wiley & Sons, Inc., 605 Third Avenue, New York, New York 10016; Cynthia W. Darby & Julia Gilbert, Trustees, under will of Kate R. Q. Wiley, c/o Gifford, Woody, Carter & Hays, 1 Wall Street, New York, New York 10005; Francis Lobdell & W. Bradford Wiley, Trustees, f/b/o Peter Booth Wiley, c/o John Wiley & Sons, Inc., 605 Third Avenue, New York, New York 10016; Francis Lobdell & W. Bradford Wiley, Trustees, f/b/o William Bradford Wiley II, c/o John Wiley & Sons, Inc., New York, New York 10016; Edward P. Hamilton & Cynthia Wiley Darby, Trustees, under will of William O. Wiley, c/o Gifford, Woody, Carter & Hays, 1 Wall Street, New York, New York 10005; Adele E. Windheim, 8 Dundee Road, Larchmont, New York; W. Bradford Wiley & E. P. Hamilton, Trustees for Edward P. Hamilton Foundation, c/o John Wiley & Sons, Inc., 605 Third Avenue, New York, New York 10016; Mrs. Rosamond R. Pennywitt, 49 Bristol Place, Bay Head, New Jersey 08742; Drexel Burnham & Co., 60 Broad Street, New York, New York; Mass. State Carpenters Fund, Hermitage Bldg., 1 Militia Drive, Lexington, Mass. 02173; Bankers Trust Company, 16 Wall Street, New York, New York 10015; National Bank of Detroit, Woodward Avenue, Detroit, Michigan; Riggs National Bank of Washington, D. C., 1508 H Street, N. W., Washington, D. C.; Manufacturers Hanover Trust Company, 350 Park Avenue, New York, New York 10022; Bank of New York, P. O. Box 11 203, New York, New York 10249; Morgan Guaranty Trust Company, 23 Wall Street, New York, New York 10015; Bradford Trust Company, 95 Wall Street, New York, New York 10005.
8. Known bondholders, mortgages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities: None
9. For optional completion by publishers mailing at the regular rates (Section 132.121 Postal Service Manual)
39 U.S.C. 3626 provides in pertinent part: "No person who would have been entitled to mail matter under former section 4359 of this title shall mail such matter at the rates provided under this subsection unless he files annually with the Postal Service a written request for permission to mail matter at such rates." In accordance with the provisions of this statute, I hereby request permission to mail the publication named in item 1 at the reduced postage rates presently authorized by 39 U.S.C. 3626.
(Signature and title of editor, publisher, business manager, or owner) Michael Harris, Vice-President
10. Not applicable.
11. Extent and nature of Circulation

	Average no. copies each issue during preceding 12 months	Actual number of copies of single issue published nearest to filing date
A. Total no. copies printed (*Net Press Run*)	1750	1750
B. Paid circulation		
1. Sales through dealers and carriers, street vendors and counter sales	—	—
2. Mail subscriptions	1456	1456
C. Total paid circulation	1456	1456
D. Free distribution by mail, carrier or other means		
1. Samples, complimentary, and other free copies	14	14
E. Total distribution (*sum of C and D*)	1470	1470
F. Copies not distributed		
1. Office use, left-over, unaccounted, spoiled after printing	280	280
2. Returns from news agents	—	—
G. Total (*sum of E & F—should equal net press run shown in A*)	1750	1750

I certify that the statements made by me above are correct and complete.

MICHAEL HARRIS
